

2015 Lions Club Downhill Derby

Downhill racing in Connersville began in 1946 and continued through 1951 with local resident Jim Frank winning the final race. Jim served on the 2013 Bicentennial committee to bring this event back to the kids of the Connersville area. The Everton & Connersville Lions Clubs now continue this event to be held in 2015 on June 17-21 and is open to children ages 8-17 in three classes based on weight. Safety is our top priority and the Lions Race Committee is working hard to make sure the race is competitive, fun and safe for both drivers and fans. Please join us in bringing back hometown ingenuity and competition as local kids work to engineer and build the fastest car! The Lions Club Race committee is planning to use the East end of Ziegler Rd to stage the race and expects a fantastic event in 2015! Please contact us with any questions. See you on race day!
